Koivula, A., Marttila, E., & Räsänen, P. (2024). Trust in experts according to media consumption and government satisfaction in the United States and Finland. In *Perceptions of a Pandemic: A Cross-Continental Comparison of Citizen Perceptions, Attitudes, and Behaviors During Covid-19* (pp. 65–83). Emerald Publishing Limited.

Marttila, E. (2021). Yksinäisyys Suomessa koronaviruspandemian aikana. In A. Koivula, P. Räsänen, N. Salminen, E. Marttila, & I. Koiranen (Eds.), *Digiajan ensimmäinen pandemia*. Turun yliopisto.

Other Research Activities

Survey and Experimental Research

2025–2026 Lead designer of a large-scale (N ≈ 2,000) survey experiment on affective polarization and political information processing. Psychology, University of Turku.

	Contributed to instrument development and testing for the Finnish Science Capital Survey. Psychology, University of Turku.
2021–2022	Major role in designing and executing two survey experiments for the Finland in the Digital Age surveys. Economic Sociology, University of Turku.
2020–2023	Assisted in instrument development and testing for the Finland in the Digital Age and Covid-19 in Finland and the US longitudinal surveys. Economic Sociology, University of Turku.

Selected Presentations

2026	Marttila, E. & Kaakinen, J. (September, 2026). *Affective Polarization and Responsiveness to Party Cues: A Within-Person Experiment.* ECPR General Conference. Kraków, Poland.
	Marttila, E. & Kaakinen, J. (May, 2026). *Partisan Affect Amplifies the Effect of Party Cues.* Poster presented at the APS Annual Convention. Barcelona, Spain.
2025	Marttila, E., Kaakinen, J. & Koivula, A. (May, 2025). *Distrustful and Socially Excluded. Does Everyday Ostracism Decrease Trust in Science?* INVEST Conference. Turku, Finland.
	Marttila, E. (March, 2025). *Sosiaalisen median ongelmakäyttö–syitä ja seurauksia.* A-Klinikka seminar. Online, Finland.
2024	Marttila, E. (May, 2024). *The Impact of Online Community Ties on Problematic Social Media Use: A Longitudinal Study.* INVEST Conference. Turku, Finland.
2023	Marttila, E. & Koivula, A. (September, 2023). *Does news framing affect citizens' attitudes towards restricting the unvaccinated? An experiment on the moderating effect of trust in institutions.* ECPR Conference. Prague, Czech Republic.
	Koivula, A., Marttila, E. & Koiranen, I. (March, 2023). *Framing non-compliant health behavior: An Experimental Study of Views Related to Unvaccinated in Finland.* Annual Sociology Conference. Tampere, Finland.
2022	Marttila, E. & Koivula, A. (October, 2022). *Framing, Emotions and Moral Attitudes: An Experimental Study of Views Related to Unvaccinated in Finland.* ECREA Conference. Aarhus, Denmark.

Refereeing

Reviewed articles for *Scientific Reports*, *BMC Psychology*, *American Journal of Criminal Justice*, *Applied Research in Quality of Life*, and *Information Technology & People*.

Research Funding and Grants

Personal

2026	*Finnish Cultural Foundation*. Personal grant for postdoctoral project. 51,000€.

2022	*The University of Turku Graduate School*. Funding for 3-year salaried position to pursue doctoral research.
2021	*Turku University Foundation*. Personal grant for doctoral research. 4,888€.
	Kauhajoki Culture Foundation. Personal grant for doctoral research. 2,000€.

Contributions

2021	*Helsingin Sanomat Foundation*. Central role in planning and writing the funding application, and in designing the KRIME research project on crisis communication, risk perceptions and political trust. 100,000€.

Teaching Experience

Workshops

Fall 2024	Statistical mini lectures and workshop in Stata for Quantitative Research Methods course in Social Sciences. University of Turku. Undergraduate level.
Fall 2023	Statistical workshops in R and SPSS for Contemporary Challenges in Survey Research. Online course jointly offered by University of Turku & Lingnan University, Hong Kong. Graduate level.

Lectures

Spring 2023	Social Media and Well-being. Economic Sociology, University of Turku. Graduate level.
Spring 2021	Digital Technologies, Social Media and Well-being. Economic Sociology, University of Turku. Graduate level.
Fall 2020	Platform Economy. Economic Sociology, University of Turku. Graduate level.

Supervision

Fall 2022	Teaching in Bachelor's seminar and supervising 4 Bachelor's theses. Department of Social Research, University of Turku. Undergraduate level.
	Supervising a Master's thesis. Economic Sociology, University of Turku. Graduate level.
Fall 2021	Teaching in Bachelor's seminar and supervising 5 Bachelor's theses. Department of Social Research, University of Turku. Undergraduate level.

Skills and Techniques

Technical	Skilled in R; basic skills in Stata. Statistical methods include linear mixed-effects panel data analysis and dynamic panel models. Experience in survey and experimental research design.
Languages	Finnish: native. English: fluent. Swedish: moderate. German: basics.
